Abstract

Join us at the Health Intervention and Policy Evaluation Research (HIPER) Symposium 2024 where distinguished speakers from APAC Ministries of Health and Health Technology Assessment (HTA) practitioners gather to discuss the emergence of key challenges and advancements in HTA practice and policy. The symposium seeks to engage stakeholders in the entire healthcare ecosystem and equip all participants with the knowledge to contribute to the HTA process. Attendees can also engage with seasoned professionals in workshops. The hands-on learning opportunities will enhance their skills in areas such as evaluating company submissions and communicating value to stakeholders.

Date	Mar 22, 2024 9:00 AM — 4:00 PM
Event	In-person at M Hotel, Singapore
